Beaverlodge Alliance Church Culture and Profile (March 2025)

Beaverlodge Alliance Church (BAC) exists to know the love, presence and power of Jesus Christ and then make Him know. This is not just a vision statement — it is the heartbeat of who we are. We live this out through our four priorities: Spiritual Growth and Maturity, Restoration, Prayer and Worship, and Connection and Community. Our theme for this year is “In All, King Jesus”.

At BAC, we believe God has called us to be catalysts of His Kingdom, not only in our own community but also throughout the surrounding Peace region. Beaverlodge is a vibrant town of 2,500 people, characterized by strong community connections and many young families. Located 40 km west of Grande Prairie, we are passionate about partnering with Jesus to bring transformation to our region.

We are a well-established and growing church with a typical Sunday attendance of 100-150 people and over 300 individuals who call BAC their church home. Our congregation is multigenerational, with a particularly strong presence of young families.

We value a balanced approach to ministry, embracing both Word and Spirit. The foundation of God’s written word is partnered with the transforming work of Holy Spirit. We encourage biblical knowledge, the use of spiritual gifts, and the cultivation of the fruit of the Spirit in our lives. We are also egalitarian with both female pastors and elders serving.

Our Sunday services are designed to be authentic, and Spirit-led. Beyond Sundays, we foster growth through connect groups, children’s and youth ministries, restoration ministries, and missional initiatives. We seek to foster an environment that invites people to become increasingly centered on Jesus in all areas of their lives.

Our youth ministries have seen significant engagement from the broader community. Many of the youth who attend have no church background, offering a unique and exciting opportunity for mission and outreach.

Currently, BAC is led by a dedicated team that includes our Lead Pastor, Executive Pastor, a part-time administrative assistant, a part-time bookkeeper, and a part-time custodian. We are now prayerfully seeking to add an Associate Pastor of Student Ministries to our team, someone passionate about reaching and discipling the next generation.

Thank you for considering whether BAC might be the place where God is calling you to serve. We are excited about what God is doing here and look forward to discovering how He may lead us together in the days ahead.
