Call for Nominations – District Superintendent

Canadian Pacific District (CPD)

In accordance with our policies, the District Conference Committee on Nominations for the 2027 District Conference of the Canadian Pacific District (May 19, 2027) is prepared to receive nomination papers from candidates who wish to be considered for nomination to the position of District Superintendent.

District Superintendent Rev. Mark Peters has recently resigned to assume the role of Vice President of Canadian Ministries for The Alliance Canada. Therefore, there is no incumbent for this position.

Serving British Columbia and the Yukon, the CPD represents a diverse family of more than 90 churches and ministries and over 480 licensed workers. With established systems, valuable training resources, and a strong district team, the CPD is well-positioned to extend the message of Jesus locally and globally.

In particular, we are seeking a leader who will embody and champion our district mission, vision and values, which are available on the CPD website.

Prospective nominees must meet the criteria for a director as outlined in the corporate documents of the district and must be individuals who:

- are Canadian citizens,
- are approved for licensing by The Christian & Missionary Alliance in Canada before they submit their papers,
- have significant Canadian ministry leadership experience, and
- have completed a current criminal record check that includes a vulnerable sector check.

The expected annual salary range for this position is $95,000 - $135,000.

Candidates seeking to be considered for the position may submit nomination papers, including a resume, cover letter, two letters of reference and documentation demonstrating that they meet the criteria above, to the District Conference Committee on Nominations.

Completed papers must be submitted with all necessary documentation to Erin Peters, Chair of the District Conference Committee on Nominations (epeters@fsjalliance.ca), by Friday, December 18, 2026. A complete guide to submitting nomination papers can be obtained from the Chair.

For further information, consult *The Policy on Process for Electing District Superintendents,* available through the myAlliance Portal, or contact the Chair.
