Our vision and strategy

This past transitional season has provided the opportunity for our Leadership team to look to God to ask “Oh Lord, what shall we do, where shall we go. After a robust time of prayer, listening, conversation and discernment, the team discerned that God was giving leading forward with a new vision statement which reads:

We will be a vibrant church for the city, igniting hope and transformation and mobilizing everyone to courageously follow Jesus.

This statement emphasizes once again the cultural brushstrokes of what makes UDAC strong and provides the framework to inform us of how we should step forward in the coming seasons for the Church. It provides clarity for where and what the ministry of the Church is going to be as we desire to minister in the Lethbridge area.

Key emphasis of the vision statement would include:

1. **VIBRANCY:** This is rooted in our missions work in Costa Rica and the desire to see the obedience and intentional living for Jesus transposed from our Latin American friends back here to Canada.
2. **FOR THE CITY:** An intentional focus to serve all of Lethbridge and live into the call of Jeremiah 29:4-7.
3. **TRANSFORMATION:** A desire to help people go deeper with Jesus. To experience his touch and leading in their lives so that they can live into the new life that He has for them.
4. **MOBILIZING EVERYONE:** An intergenerational, intercultural church, engaged and involved, worshipping and serving the Lord.
5. **COURAGEOUSLY:** Pursuing Jesus, even when there is great cost. We will go all in to make Him famous-for His glory and our joy.

The strength of our Vision Statement is that it works in compliment to our Mission Statement which says: *To exalt Jesus as Savior and Lord, Therefore, in His power while demonstrating His love we will reach, teach and equip people to know, love and serve Him.* Together, the vision and mission serve to develop cultures of evangelism and discipleship where people can be found and grow in Jesus, helping them to walk deeply with Him.

Our Ministries:

UDAC provides a variety of ministry that engages people from all generations. While historically staff centric, the desire is to move away from a few people doing the lions share of the work, to many collaborating together to accomplish the call of the Lord to us. We all play a part and together we desire to share in the blessing of have impact for Jesus.

Called to courageously following Jesus

— Our History

A glorious past, a bright future

It started with a ministry to children and quickly became a church.

In the fall of 1939, Mavis Anderson came to Lethbridge with the desire to reach children with the good news of Jesus and soon after, upon seeing a need for a local Church, Lethbridge Alliance Tabernacle was born.

Through the years, when UDAC is at its best there are cultural brushstrokes that are alive and vibrant: *Strong Bible teaching, prayer, outreach, innovation, generosity, hospitality, strong relationships between congregation and staff and global missions.*

Now in our third location, God has led UDAC to West Lethbridge, from a simple farmers field, now the church finds itself on one of the busiest roadways in the city, across the street from the University of Lethbridge and accessible not only by those living in the west, but people throughout the entire Lethbridge region. God has been very faithful to UDAC for over 85 years now and will continue to be for generations to come.

Having just come through a transitional time, with new Leadership in place, UDAC is desiring to step into God's preferred future with a fresh vision and a desire to continuously find Gods leading into new and existing opportunities.
